You will see from the enclosed Notice of AGM that eleven resolutions are to be considered.

Ordinary Resolution 1 – To receive the 2024 Annual Report

The Directors of the Company must lay before the Company at its AGM the 2024 Annual Report.

Ordinary Resolution 2 – To re-appoint Ernst & Young (Cyprus) Limited as auditor of the Company

The Company is required to appoint an auditor at each general meeting at which accounts are laid before the Company, to hold office until the conclusion of the next such meeting.

The Board has reviewed the effectiveness, independence and objectivity of the external auditor, Ernst & Young, and now propose their reappointment as auditor of the Company.

Ordinary Resolution 3 – To authorise the Directors to agree the auditor’s remuneration

This resolution authorises the Directors, in accordance with standard practice, to fix the remuneration of the auditor. In practice, the Audit & Risk Committee will consider the audit fees for recommendation to the Board.

Ordinary Resolution 4 – Re-election of Mr David Maimon

Mr Maimon, a non-executive director, retires and makes himself available for re-election by shareholders as a non-executive director in accordance with Article 20.3. A biography for Mr Maimon can be found in the 2024 Annual Report.

Ordinary Resolution 5 – Re-election of Mr Dennis Selinas

Mr Selinas, the CEO and an executive director, retires and makes himself available for re-election by shareholders as an executive director in accordance with Article 20.3. A biography for Mr Selinas can be found in the 2024 Annual Report.

Ordinary Resolution 6 – Authority to make market acquisitions of the Company's own shares

This resolution grants the Directors authority to make market acquisitions, in accordance with The Companies (Guernsey) Law, 2008 (as amended), of up to the lesser of 43,553,214 Ordinary Shares or such number as shall represent 14.99 per cent. of the Company's Ordinary Shares in issue on the date on which this resolution is passed. Pursuant to the terms of the authority, the minimum price (exclusive of expenses) which may be paid for an Ordinary Share is €0.01 and the maximum price (exclusive of expenses) which may be paid for an Ordinary Share will be the higher of: (i) an amount equal to 105 per cent. of the average of the market values for an Ordinary Share taken from the Daily Official List of the London Stock Exchange for the five Business Days immediately preceding the day on which the Ordinary Share is purchased and (ii) the higher of the price of the last independent trade and the highest current independent bid on the London Stock Exchange Official List at the time of purchase. This authority shall expire on the earlier of 30 September 2026 or the date of the next annual general meeting of the Company, unless previously varied, revoked or renewed, save that the Company may, prior to such expiry, enter into a contract to purchase shares under such authority and may make a purchase of shares pursuant to any such contract, notwithstanding such expiry.

Ordinary Resolution 7 – Authority to exercise an Acquisition Share Authority

Under the Articles, the Directors are generally and unconditionally authorised to exercise an Acquisition Share Authority, being an authority to issue up to such number of Shares as represents 7.5 per cent. of the Company's issued share capital immediately before the date of the notice convening the AGM, rounded down to the nearest whole number of Shares and this authority needs to be renewed at each AGM. As at the date of the Notice of AGM, the number of Shares as represents 7.5 per cent. is 21,791,134.

Proposed Resolution 7 sets out the terms of a proposed renewal of the approval from Shareholders for the Acquisition Share Authority, provided that this authority shall expire at the conclusion of the next AGM, save that the Directors may, before such expiry, make an offer or agreement which would or might require the Acquisition Share Authority to be exercised and Shares to be issued or rights to subscribe for or to convert any securities into Shares to be granted after such expiry and the Directors may issue Shares or grant such rights under any such offer or agreement as if the authority conferred by this resolution had not expired.

Ordinary Resolution 8 – Authority to issue shares

Under the Articles, the Directors are authorised to issue, grant rights to subscribe for, or to convert any securities into, such number of Shares as shall be authorised by ordinary resolution. This authority will expire at the conclusion of this year's AGM unless it is varied, revoked or renewed.

Accordingly, proposed Resolution 8 sets out the terms of a proposed renewal of the approval from Shareholders to authorise the Directors to issue, grant rights to subscribe for, or convert any security into, Shares up to a maximum aggregate of 193,698,971 Shares, which represents approximately two-thirds of the Company's issued share capital as at the date of this document.

The authority set out in proposed Resolution 8 is intended to provide the Board with flexibility to support the Company's commercial objectives through equity finance in suitable circumstances.

In addition, the resolution will permit the Directors to make an offer or agreement prior to the expiry of the authority which would or might require Shares to be issued or rights to subscribe for or to convert any securities into Shares to be granted after such expiry and the Directors may issue Shares or grant such rights under any such offer or agreement as if the authority had not expired.

Ordinary Resolution 9 – Authority to enter into Buy Back Instrument

Pursuant to the Globalworth Share Award Plan (the "**Plan**") in respect of the financial year 2024, certain employees have the right to receive shares in the Company which are then issued to the employees no earlier than 12 months after the date of their award. The Company wishes to grant such employees a put option to require the Company to repurchase the shares awarded (the "**Sale Shares**") during the three month period after their issue, the Sale Shares to then be repurchased at the price at which they were issued, and subject to such other terms and conditions as set out in the Buy Back Instrument. The total number of shares to which this relates is 106,600, which is equivalent to 0.037% of the current total number of voting rights in the Company.

The authority set out in proposed Resolution 9 is intended to provide the Board with authority to execute the Buy Back Instrument.

Ordinary Resolution 10 – Authority to complete purchase of Shares after expiry of authority to enter into Buy Back Instrument

The authority set out in proposed Resolution 10 will permit the Directors to purchase the Sale Shares notwithstanding the expiry of the authority to execute the Buy Back Instrument.

Special Resolution 11 – Disapplication of pre-emption rights

Under the Articles, before the Directors may issue new Shares, or rights to subscribe for, or to convert securities into, Shares ("**Equity Securities**") for cash, such Equity Securities must first be offered to the Shareholders in proportion to their existing holdings.

These pre-emption rights do not apply to the issue of any Shares pursuant to any scrip dividend scheme implemented by the Company in accordance with the Articles, or any pro-rata bonus issue of Shares. In addition, you are reminded that at an extraordinary general meeting of the Company held on 8 March 2023, a resolution was passed to grant the Board the authority to offer Shareholders the opportunity to elect to receive scrip dividends as an alternative to a cash dividend.

There is also a partial disapplication of the pre-emption rights under the Articles, which allows the issue of Equity Securities up to the amounts set out in the relevant Articles or such higher amounts as may be approved or varied by a special resolution of the Shareholders, in each of the following circumstances:

- (i) in connection with any acquisition by the Company or any member of the Group (a) to the extent that claw-back participation is offered to Shareholders pursuant to and consistent with the Statement of Principles or (b) up to the maximum number of Shares equal to that comprised within the Acquisition Share Authority;
- (ii) pursuant to any employee emolument arrangements of the Company; and
- (iii) a general disapplication for up to the maximum number of Shares equal to that comprised within the Acquisition Share Authority.

Accordingly, proposed Resolution 11 sets out the terms of a proposed renewal of the approval from Shareholders to authorise the Directors to issue Shares pursuant to the authority given in proposed

Resolution 8 as if the pre-emption provisions set out in the Articles did not apply in any of the above circumstances in each case up to the maximum aggregate of 21,791,134 Shares, being the number of shares equal to that being proposed to be comprised within the Acquisition Share Authority at Resolution 7 above, provided that such authority will expire at the conclusion of the AGM of the Company in 2026.

In addition, the Directors may make an offer or agreement pursuant to the authority prior to the expiry of the authority which would or might require Shares to be issued or rights to subscribe for or to convert any securities into Shares to be granted after such expiry and the Directors may issue Shares or grant such rights under any such offer or agreement as if the authority had not expired.
